

THE RE/MAX COLLECTION[®] ELIGIBILITY

To qualify for The RE/MAX Collection, and to be listed on **remax.ca/luxury**, a property must meet the following criteria:

Listing Price Criteria:

- **Single Family Residence** – Price must be 2x the average home sold price in the city that it is listed (updated twice annually).
- **Condominium/Townhouse** – Price must be 2x the average condominium sold price in the city that it is listed (updated twice annually).

Visit the Luxury Launchpad to view the current luxury thresholds. Send any questions or requests to theremaxcollection@remax.com.

Non-Monetary Criteria:

In addition to meeting the listing price criteria, The RE/MAX Collection properties should also possess at least one of the following features:

- Located in a sought-after neighbourhood or building
- An extraordinary property that puts the home in another class, such as a lakefront, ravine setting or breathtaking views
- Unique amenities, such as an exquisite pool, an impressive home theatre, a luxurious carriage house, a lavish wine-cellar, private elevator access, etc.
- Boasts an architectural or designer flair that makes the property one-of-a-kind in its area

Additionally, all-listings must have high-quality photography for inclusion online at remax.ca/luxury. Listings without high-quality photography may be removed from the website.
